

Cemintel Profile	Category	Sub-Category	Use	Description	Product Code
FASTENERS					
Aspect	Fasteners	Nails & Screws	Cladding Nails	Screws Fibredrill 10G 10x30mm CL41000 TM	492650
Aspect	Fasteners	Nails & Screws	Used for fixing battens to timber framing	Nails framing 50x2.8 34 degrees	127799
Aspect	Fasteners	Nails & Screws	Face fixing cladding nails for timber stud framing	Nails FC 50x2.8 2kg	77259
TRIMS & BATTENS					
Aspect	Trims & Battens	Flashing Accessories	Metal angle flashing used at internal & external corners	Corner Backing Angle 50x50x3030mm	111498
Aspect	Trims & Battens	Corners	Aluminium extrusion for external building corners	External Corner Aluminium 3000mm	131271
Aspect	Trims & Battens	Corners	Used at internal and external corners to cover board ends	Corner Mould Metal 2-piece Snap on 3000mm Pk5	108451
Aspect	Trims & Battens	Top Hat	Aluminium extrusion for internal building corners	Internal Corner Aluminium 3000mm	131272
Aspect	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium Base Trim 3950mm	494705
Aspect	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium Base Trim Connector	494706
Aspect	Trims & Battens	Base Trim	Internal corner used to join base trims at internal wall junctions	Streetstyle Aluminium Base Trim Internal Corner	494707
Aspect	Trims & Battens	Base Trim	External Corner. Used to form neat, aligned junctions at outside wall corners	Streetstyle Aluminium Base Trim External Corner	494708
Aspect	Trims & Battens	Battens	J Track (Batten Closer)	18 x 18 x 70mm x 3000mm	134845
TAPES & ADHESIVES					
Aspect	Tapes & Adhesives	Tapes	Bond Breaker	Bond Breaker Tesa Multifoam 7492 x 48mm x 25m	13172
Aspect	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Grey 310ml tube	11378
Aspect	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Black 310ml tube	39488
COATINGS					
Aspect	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 200ml	100166
Aspect	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 2 Litre	180928
Aspect	Coatings	Primer	Applied to surfaces prior to sealant to improve long term performance of joints	Primer 3 n 250ml	115227
