

Cemintel Profile	Category	Sub-Category	Use	Description	Product Code
FASTENERS					
Edge	Fasteners	Nails & Screws	Cladding Nails	Screws Fibredrill 10G 10x30mm CL41000 TM	492650
Edge	Fasteners	Nails & Screws	Cladding Nails for timber framing	Screws 8-10 x 50mm CSK Rib Head Clas 3 Pk 1000	127801
Edge	Fasteners	Nails & Screws	Batten screw for timber framing	10-16x55mm Phillips Drive Wingtek CSK HD Screws	195881
TRIMS & BATTENS					
Edge	Trims & Battens	Battens	Cavity Batten	Batten 70mm x 19mm 2.7m lengths	125431
Edge	Trims & Battens	Battens	J Track (Batten Closer)	18 x 18 x 70mm x 3000mm	134845
Edge	Trims & Battens	Flashing Accessories	Corner Backing Angle. Metal angle flashing used at internal & external corners	Corner Backing Angle 50x50x3030mm	111498
Edge	Trims & Battens	Flashing Accessories	Recessed Horizontal Jointer. Used to align adjoining sheets for a consistent recessed gap	Edge Aluminium 9mm Recessed Horizontal Jointer 3000mm	494679
Edge	Trims & Battens	Flashing Accessories	Recessed Horizontal Connector. Used to join adjacent sheets along a horizontal joint	Edge Aluminium 9mm Recessed Horizontal Connector	494700
Edge	Trims & Battens	Flashing Accessories	Horizontal h flashing. Used to join sheets horizontally while directing water out of the joint	Streetstyle Aluminium 9mm Horizontal h Flashing 3000mm	494703
Edge	Trims & Battens	Flashing Accessories	Horizontal h Jointer. Used to connect sheets along a horizontal joint	Streetstyle Aluminium 9mm Horizontal h Jointer	494704
Edge	Trims & Battens	Corners	Snap on corners. Used at internal and external corners to cover board ends	Corner Mould Metal 2-piece Snap on 3000mm Pk5	108451
Edge	Trims & Battens	Corners	External Corner. Used at internal and external corners to cover board ends	Streetstyle Aluminium 9mm External Square Corner 3000mm	494677
Edge	Trims & Battens	Corners	Internal Corner. Used at internal and external corners to cover board ends	Streetstyle Aluminium 9mm Internal Square Corner 3000mm	494678
Edge	Trims & Battens	Top Hat	To support fixing of cladding at vertical joints at off stud locations	Top Hat 50mmx35mm 0.75bmt 3000 M535 SO	126144
Edge	Trims & Battens	Trims	Eaves Trim. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim White 3030mm (D)	134451
Edge	Trims & Battens	Trims	Eaves Trim External Corner. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim Ext Corner White 100mm (D)	134426

Cemintel System	Category	Sub-Category	Use	Description	Product Code
TRIMS & BATTENS					
Edge	Trims & Battens	Trims	Eaves Trim Internal Corner. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim Int Corner White 1500 (D)	134429
Edge	Trims & Battens	Trims	Soffit Trim. Provides finish at soffit edge as well as cavity ventilation and cavity closure below battens	Soffit Trim White 18mm Cav 3030mm SG	134452
Edge	Trims & Battens	Trims	Soffit Trim External Corner. Provides joint finish at soffit corner	Soffit Trim External Corner White 18mm Pk 2	134431
Edge	Trims & Battens	Trims	Soffit Trim Internal Corner. Provides joint finish at soffit corner	Soffit Trim Internal Corner White 18mm Pk 2	134432
Edge	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium Base Trim 3950mm	494705
Edge	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium Base Trim Connector	494706
Edge	Trims & Battens	Base Trim	Internal corner used to join base trims at internal wall junctions	Streetstyle Aluminium Base Trim Internal Corner	494707
Edge	Trims & Battens	Base Trim	External Corner. Used to form neat, aligned junctions at outside wall corners	Streetstyle Aluminium Base Trim External Corner	494708
Edge	Trims & Battens	Base Trim	Base Starter. Provide a level starting edge	Streetstyle Aluminium 9mm Slim Base Starter 3000mm	494701
Edge	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium 9mm Slim Base Starter Connector	494702
Edge	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium 9mm Base Trim 3000mm	494675
Edge	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium 9mm Base Trim Connector	494676
Edge	Trims & Battens	Backing Rod	Bead for insertion to joints prior to enable correct filling of joints with sealant	10mm polyethylene foam bead. 50m roll	11177
Edge	Trims & Battens	Thermal Break	Thermal Break	Thermal Break 7x38x1250mm 330 strips	466163
TAPES & ADHESIVES					
Edge	Tapes & Adhesives	Tapes	Bond Breaker	Bond Breaker Tesa Multifoam 7492 x 48mm x 25m	13172
Edge	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Grey 310ml tube	11378
Edge	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Black 310ml tube	39488
Edge	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	11FC 350ml tube (Grey)	39378
Edge	Tapes & Adhesives	Tapes	Gasket Tape	ExpressWall Vertical Gasket Tape Gaska 1510 Self Adhesive 3.2x48mmx23m	133978

Cemintel System	Category	Sub-Category	Use	Description	Product Code
COATINGS					
Edge	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 200ml	100166
Edge	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 2 Litre	180928
Edge	Coatings	Primer	Applied to surfaces prior to sealant to improve long term performance of joints	Primer 3 n 250ml	115227
