

Cemintel Profile	Category	Sub-Category	Use	Description	Product Code
FASTENERS					
Headlands	Fasteners	Nails & Screws	Cladding Nails	Screws Fibredrill 10G 10x30mm CL41000 TM	492650
Headlands	Fasteners	Nails & Screws	Cladding Nails for timber framing	Screws 8-10 x 50mm CSK Rib Head Clas 3 Pk 1000	127801
TRIMS & BATTENS					
Headlands	Trims & Battens	Battens	Cavity Batten	Batten 70mm x 19mm 2.7m lengths	125431
Headlands	Trims & Battens	Battens	J Track (Batten Closer)	18 x 18 x 70mm x 3000mm	134845
Headlands	Trims & Battens	Corners	Corner Flashing used at internal and external corners	Corner Flashing PVC 50x50mmx2400mm	11205
Headlands	Trims & Battens	Corners	Used at internal and external corners to cover board ends	Corner Mould Metal 2 piece Snap on 3000mm Pk5	108451
Headlands	Trims & Battens	Starter Strip	Starter Strip for aligning first weatherboard	Starter Strip FC 8mm x 3000mm x EP173000	60455
Headlands	Trims & Battens	Backing Rod	Bead for insertion to joints prior to enable correct filling of joints with sealant	10mm polyethylene foam bead. 50m roll	11177
Headlands	Trims & Battens	Cover Strip	Cover Strip	Cover Strip PVC 6 x 38mm x 3000mm	11190
Headlands	Trims & Battens	Trim	Use around windows, door frames, internal & external corners	Fibre Cement Trim. 19 x 45 x 4200mm	454626
Headlands	Trims & Battens	Trim	Use around windows, door frames, internal & external corners	Fibre Cement Trim. 19 x 89 x 3640mm	454627
Headlands	Trims & Battens	Trim	Use around windows, door frames, internal & external corners	Fibre Cement Trim. 38 x 45 x 4200mm	454628
Headlands	Trims & Battens	Trim	Use around windows, door frames, internal & external corners	Fibre Cement Trim. 38 x 89 x 3640mm	454629
Headlands	Trims & Battens	Thermal Break	Thermal Break	Thermal Break 7x38x1250mm 330 strips	466163
Headlands	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium Base Trim 3950mm	494705
Headlands	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium Base Trim Connector	494706
Headlands	Trims & Battens	Base Trim	Corner used to join base trims at internal wall junctions	Streetstyle Aluminium Base Trim Internal Corner	494707

Cemintel System	Category	Sub-Category	Use	Description	Product Code
TRIMS & BATTENS					
Headlands	Trims & Battens	Base Trim	Used to form neat, aligned junctions at outside wall corners	Streetstyle Aluminium Base Trim External Corner	494708
TAPES & ADHESIVES					
Headlands	Tapes & Adhesives	Tape	Used behind sheet at sealed joints	Bond Breaker Tesa Multifoam 7492 3 x 48mm x 25m	13172
Headlands	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	11FC 350ml tube (Grey)	39378
Headlands	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Grey 310ml tube	11378
Headlands	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Black 310ml tube	39488
COATINGS					
Headlands	Coatings	Sealer	For sealing panel edges after on-site cutting	Edge sealer 200ml	100166
Headlands	Coatings	Sealer	For sealing panel edges after on-site cutting	Edge sealer 2 Litre	180928
Headlands	Coatings	Primer	Applied to surfaces prior to sealant to improve long term performance of joints	Primer 3 250ml	115227
