

Cemintel Profile	Category	Sub-Category	Use	Description	Product Code
FASTENERS					
SimpleLine	Fasteners	Nails & Screws	Cladding Nails	Screws Fibredrill 10G 10x30mm CL41000 TM	492650
SimpleLine	Fasteners	Nails & Screws	Cladding Nails for timber framing	Screws 8-10 x 50mm CSK Rib Head Clas 3 Pk 1000	127801
SimpleLine	Fasteners	Nails & Screws	Batten screw for timber framing	10-16x55mm Phillips Drive Wingtek CSK HD Screws	195881
TRIMS & BATTENS					
SimpleLine	Trims & Battens	Battens	Cavity Batten	Batten 70mm x 19mm 2.7m lengths	125431
SimpleLine	Trims & Battens	Battens	J Track (Batten Closer)	18 x 18 x 70mm x 3000mm	134845
SimpleLine	Trims & Battens	Flashing Accessories	Corner Backing Angle. Metal angle flashing used at internal & external corners	Corner Backing Angle 50x50x3030mm	111498
SimpleLine	Trims & Battens	Flashing Accessories	Recessed Horizontal Jointer. Used to align adjoining sheets for a consistent recessed gap	Edge Aluminium 9mm Recessed Horizontal Jointer 3000mm	494679
SimpleLine	Trims & Battens	Flashing Accessories	Recessed Horizontal Connector. Used to join adjacent sheets along a horizontal joint	Edge Aluminium 9mm Recessed Horizontal Connector	494700
SimpleLine	Trims & Battens	Flashing Accessories	Horizontal h flashing. Used to join sheets horizontally while directing water out of the joint	Streetstyle Aluminium 9mm Horizontal h Flashing 3000mm	494703
SimpleLine	Trims & Battens	Flashing Accessories	Horizontal h Jointer. Used to connect sheets along a horizontal joint	Streetstyle Aluminium 9mm Horizontal h Jointer	494704
SimpleLine	Trims & Battens	Corners	Used at internal and external corners to cover board ends	Corner Mould Metal 2-piece Snap on 3000mm Pk5	108451
SimpleLine	Trims & Battens	Corners	External Corner. Used at internal and external corners to cover board ends	Streetstyle Aluminium 9mm External Square Corner 3000mm	494677
SimpleLine	Trims & Battens	Corners	Internal Corner. Used at internal and external corners to cover board ends	Streetstyle Aluminium 9mm Internal Square Corner 3000mm	494678
SimpleLine	Trims & Battens	Top Hat	To support fixing of cladding at vertical joints at off stud locations	Top Hat 50mmx35mm 0.75bmt 3000 M535 SO	126144
SimpleLine	Trims & Battens	Trims	Eaves Trim. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim White 3030mm (D)	134451
SimpleLine	Trims & Battens	Trims	Eaves Trim External Corner. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim Ext Corner White 100mm (D)	134426

Cemintel System	Category	Sub-Category	Use	Description	Product Code
TRIMS & BATTENS					
SimpleLine	Trims & Battens	Trims	Eaves Trim Internal Corner. Provides finish at eaves junction and provides cavity ventilation	Eaves Trim Int Corner White 1500 (D)	134429
SimpleLine	Trims & Battens	Trims	Soffit Trim. Provides finish at soffit edge as well as cavity ventilation and cavity closure below battens	Soffit Trim White 18mm Cav 3030mm SG	134452
SimpleLine	Trims & Battens	Trims	Soffit Trim External Corner. Provides joint finish at soffit corner	Soffit Trim External Corner White 18mm Pk 2	134431
SimpleLine	Trims & Battens	Trims	Soffit Trim Internal Corner. Provides joint finish at soffit corner	Soffit Trim Internal Corner White 18mm Pk 2	134432
SimpleLine	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium Base Trim 3950mm	494705
SimpleLine	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium Base Trim Connector	494706
SimpleLine	Trims & Battens	Base Trim	Corner used to join base trims at internal wall junctions	Streetstyle Aluminium Base Trim Internal Corner	494707
SimpleLine	Trims & Battens	Base Trim	External Corner. Used to form neat, aligned junctions at outside wall corners	Streetstyle Aluminium Base Trim External Corner	494708
SimpleLine	Trims & Battens	Base Trim	Base Starter. Provide a level starting edge	Streetstyle Aluminium 9mm Slim Base Starter 3000mm	494701
SimpleLine	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium 9mm Slim Base Starter Connector	494702
SimpleLine	Trims & Battens	Base Trim	Provide a level starting edge	Streetstyle Aluminium 9mm Base Trim 3000mm	494675
SimpleLine	Trims & Battens	Base Trim	Connector used to join lengths of base trim	Streetstyle Aluminium 9mm Base Trim Connector	494676
SimpleLine	Trims & Battens	Backing Rod	Bead for insertion to joints prior to enable correct filling of joints with sealant	10mm polyethylene foam bead. 50m roll	11177
SimpleLine	Trims & Battens	Thermal Break	Thermal Break	Thermal Break 7x38x1250mm 330 strips	466163
TAPES & ADHESIVES					
SimpleLine	Tapes & Adhesives	Tapes	Bond Breaker	Bond Breaker Tesa Multifoam 7492 x 48mm x 25m	13172
SimpleLine	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Grey 310ml tube	11378
SimpleLine	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	Sealant Black 310ml tube	39488
SimpleLine	Tapes & Adhesives	Sealant	Seal control joints, junctions, gaps around windows/doors/others	11FC 350ml tube (Grey)	39378

Cemintel System	Category	Sub-Category	Use	Description	Product Code
SimpleLine	Tapes & Adhesives	Tapes	Gasket Tape	ExpressWall Vertical Gasket Tape Gaska 1510 Self Adhesive 3.2x48mmx23m	133978
COATINGS					
SimpleLine	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 200ml	100166
SimpleLine	Coatings	Sealer	for sealing panel edges after on-site cutting	Edge sealer 2 Litre	180928
SimpleLine	Coatings	Primer	Applied to surfaces prior to sealant to improve long term performance of joints	Primer 3 n 250ml	115227
